Glimpses of 1st International Conference 2019	97-100

Introduction

About The SYMPOSIUM THEME

"Unlock Your Research Potential"

Every physician has a hidden researcher deep inside the mind; it requires proper drive to stimulate that potential skill. Doing research does neither mean a complex series of monotonous mathematical calculation nor just writing a paper for publication. Research rather means answering to the hidden questions that peeps in mind during regular professional activities, responding to the needs that requires an evidence to prove and, most importantly a creative mind that that feels research as a passion rather that part of profession.

With the theme **"Unlock Your Research Potential"** the Institutional Research Symposium, (IRS 2021) follows the theme of research wing, the Division of International Affairs and Research (DIAR) itself, which is committed to stimulate research drive among the teachers of Chattagram International Medical College, Chattagram International Dental College. DIAR aims to disseminate own theme widely among all research minds through IRS 2021 with following goals:

- * To create an avenue for dissemination of institutional research work
- * To provide a forum for intellectual exchange of ideas in the field of research
- * To generate an opportunity of learning for growing researchers

IRS 2021 is going to be a mixture of plenary, free papers, future generation research, poster and Bangabandhu Memorial Lecture "Research and Dream of Bangabandhu", an opportunity for research minds to take the taste of multi-disciplinary researches on the same platform.

It is highly expected this symposium shall be able to unlock many research ideas amongst the participants!

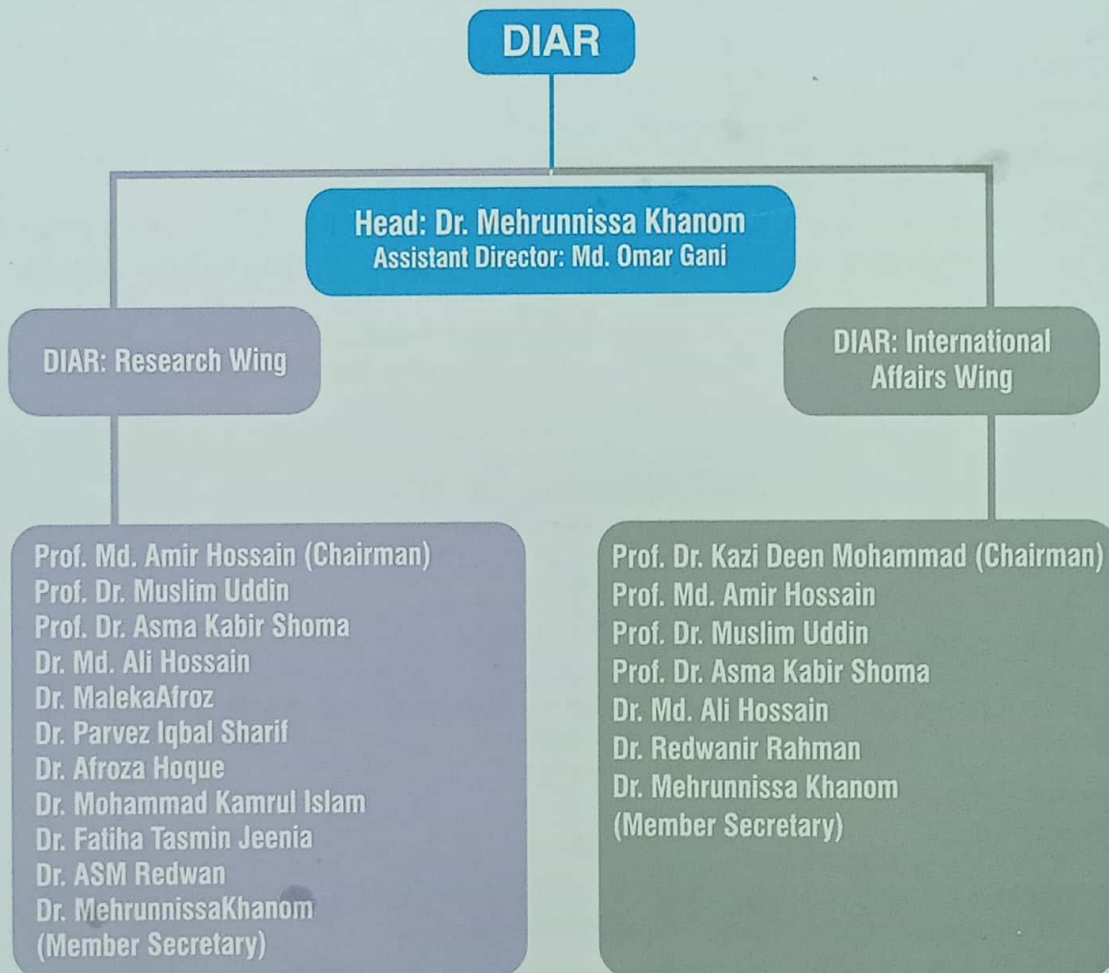

DIVISION OF INTERNATIONAL AFFAIRS AND RESEARCH (DIAR)

Chattagram International Medical College
Chattagram International Dental College

INTRODUCTION

Division of International Affairs & Research (DIAR), Chattagram International Medical College and Chattagram International Dental College was established in June, 2017. It is the institutional centre for research & collaboration at regional, national and international levels. DIAR has two wings; Research Wing and International Affairs Wing. The secretariat office of DIAR is located at Room-311, 2nd Floor, Academic Building-2, 206/1, Haji Chand Meah Road, Shomser Para, Chandgoan, Chattogram.

ORGANOGRAM

DIAR: Research Wing

Theme
"Unlock Your Research Potential"

Objectives
